Cary-

I have a district court case in Westfield scheduled for that day. They normally keep us on call (like Springfield), but I would hate to miss this case since the ADA has already moved it at my request due to scheduling conflict. However, as long as there is a little flexibility on both of your ends, I don't anticipate a huge problem since the court houses are fairly close together and if I got called to one and then the second called, I'm guessing that I could get one done before lunch (hopefully) and one afterwards, or both afterwards depending on how long the trials end up being.

Hi Sonja,

This case was continued until January 19, will you be available? I sent out a summons but it appears that it got sent to the state police crime lab instead of you, not sure if you received a summons.

Best,

Cary

Cary-

I'm writing to let you know that I did receive your summons for the [REDACTED] trial scheduled for September 22, 2010. However, I will be out of town from September 17th through September 24th.
